Cold Snap recedes, Headwinds arrives!

ARC Raiders launched Headwinds update on January 27th, bringing new challenges and tactical options. It adds Solo matches, dynamic minimap environments, and a player progression system, making the game even more engaging.

Solo vs Squad Mode

Players level 40 and above can now choose to join high-intensity solo matches, earning extra experience against full squads – a stage for the best!

Trophy Gallery System

Defeat enemies to collect parts and loot, and display them in your gallery to unlock rare resources and exclusive rewards.

Bird City Environmental Effects

Buried City features dynamic bird zones, with challenging vertical exploration points hiding valuable resources – exciting and highly rewarding.

Style and Appearance

New outfits and skins like the Sandwalker have been added, allowing you to personalize your character on the battlefield.

While the update is streamlined, every aspect directly impacts the core player experience. The Solo challenges and dynamic map effects, in particular, make the competition even more intense.

Many players have started hoarding items and blueprints in order to achieve a more outstanding performance.

If you're playing ARC Raiders and looking for a reliable ARC Raiders items market to buy in-game items safely and instantly, IGGM.com is definitely the go-to choice. ARC Raiders Shop Review 2026 better illustrates this point.

Most ARC Raiders players choose IGGM because it offers a huge variety of ARC Raiders items — from rare materials, Blueprints, and weapons to various misc items — all delivered fast, securely, and at the lowest prices.

Why ARC Raiders Items Matter

In ARC Raiders, having the right gear and resources makes a huge difference in how quickly you progress. Whether you're crafting advanced weapons, upgrading armor, or unlocking new content, enough items are the true backbone of your gameplay. In addition, IGGM ARC Raiders Blueprints Farming Guide would also provide many methods to help you better understand the game and enhance your gaming experience.

What common items are safe to sell in ARC Raiders?

Players safely trade common materials, weapon, modded Weapon, misc, and BluePrint ect. These items are fully permitted for trading and have no risk of triggering any account-related issues, which is why IGGM: ARC Raiders items store focuses on offering them through safe and verified delivery.

How to quickly get ARC Raiders Blueprints?

Blueprints are crucial items in ARC Raiders. They can even determine a player's success in crafting weapons, gear pieces, explosives, and more. Therefore, obtaining enough Blueprints is key to improving your strength.

The best way to quickly acquire Blueprints is to buy them, rather than relying on luck to collect randomly dropped Blueprints. IGGM: ARC Raiders item shop allows players to obtain any specific blueprint or any number of random blueprints without having to collect them on the dangerous battlefield and avoiding the risk of being defeated and having their equipment damaged.
